P. O. Box 94275

RE: TP-6 Zone, Reservoir C  
Little Lake Field  
Jefferson and Lafourche Parishes, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **Clayton Williams Energy, Inc.** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters in the TP-6 Zone, Reservoir C, Little Lake Field, Jefferson and Lafourche Parishes, Louisiana, to wit:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate, to be designated TP-6 RC SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate Clayton Williams Energy, Inc. as the unit operator for the proposed unit;
4. To designate a unit well for the proposed unit;
5. To provide that the Commissioner of Conservation should be authorized to reclassify the TP-6 Zone, Reservoir C, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and,
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The TP-6 Zone, Reservoir C in the Little Lake Field, Jefferson & Lafourche Parishes, Louisiana, is hereby defined as that gas and condensate bearing sand encountered between the depths of 12,950 feet and 13,365 feet (electric log measurements) in the Richardson & Bass - State Lease 2383 No. 2 Well, located in Section 21, Township 18 South, Range 23 East, Jefferson Parishes, Louisiana.

The pre-application conference tentatively scheduled for November 20, 2002 at 3:30 p.m., **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting Bill Dale with W.H. Robbins & Associates, 140 Rue Beauregard, Lafayette, LA, (337)232-5004.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$700.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONG
